I think we need to talk and develop a strategy for how we want to share this externally and with the Hill.

Thanks,

Hi Tex -

The briefing the other day was excellent - I've referenced it several times, and I know my team is continuing to work with yours. Is this something you'd be willing to share with appropriators? I was speaking with my appropriations chair (Quigley) today, and I think he'd benefit from the deck if not the briefing, but wanted your permission to share.

Thanks,

Emily
